1. Everybody Says Hello – by Julie Austin

Everybody says hello.
They say hello, hello, hello.
Everybody says hello.
They say hello, hello, hello.

CHORUS

That's how they do it; they just get to it.
They open up their mouths, and they say hello.
That's how they do it; they just get to it.
They open up their mouths, and they say hello.

La la la la la, la la la la la
La la la la la la, la la la
(Repeat stanza.)

Everybody waves hello . . .
Everybody shakes a hand hello . . .

2. Turkey in the Hay – by Julie Austin

CHORUS

A turkey in the hay,
Hey, hey, hey,
A turkey in the straw,
Ha, ha, ha,
The bullfrog danced with his mother-in-law.
We'll sing a little song called the Turkey in the Straw.
(Repeat.)

Well I walked downtown and I walked around the block.
I walked right into a donut shop,
And I took two donuts right out of the grease.
I handed the lady a five-cent piece.
Well, she looked at the nickel, she looked at me.

She said, "This nickel's no good to me,
'Cause there's a whole in the middle and it goes right through."
Says I, "There's a hole in my donut too."
(Repeat chorus.)

And I had a little chicken and she wouldn't lay an egg,
So I poured hot water up and down her leg.
The little chicken moaned, the little chicken begged,
The gosh-darn chicken laid a hard-boiled egg.
(Repeat chorus two times.)

3. Thumri (Instrumental)

8. What You Gonna Wear? – by Cathy and Marcy

What you gonna wear when it rains outside,
When it rains outside,
When it rains outside?
What you gonna wear when it rains outside?
When it rains out, what you gonna wear?

I'll wear my raincoat when it rains outside,
When it rains outside,
When it rains outside.
I'll wear my raincoat when it rains outside.
When it rains out, that's what I'll wear.

What you gonna wear when it snows outside . . .
I'll wear my coat, hat, and mittens when it snows outside.

What you gonna wear when it's cool outside . . .
I'll wear my sweater when it's cool outside.

What you gonna wear when it's hot outside . . .
I'll wear my shorts when it's hot outside.

9. Give a Little Love Away – by Cathy and Marcy

There is only one of me to love just one of you,

Give a little love away and more will come to stay.
