Prologue	1
Through the Eyes of a Child	2
Introduction	5
Teaching and Interacting Using Learning Zones	7
The Five Learning Zones.....	8
Developing Background Knowledge	8
Developing Social Skills and Self-Regulation.....	8
Developing Powerful Thinking.....	9
Developing Use of Words and Symbols	9
Developing Healthy Minds and Bodies.....	10
The Early Childhood Learning Community: A Way of Being.....	11
The HighReach Learning Curriculum System	12
Curricular Philosophy.....	12
Assessment and Evaluation.....	12
Professional Development.....	13
Curriculum Resources	13

Chapter 1: HighReach Learning Curriculum Approach	14
Curriculum Approach Model.....	18
Also in This Guide	20
Terminology Throughout This Guide	20
Chapter 2: Research & Theory Foundations	21
Theoretical Foundations	23
Knowledge of the Child.....	23
Attachment Theory	23
Attachment and Temperament	24
Brain Development and Attachment	24
Constructing New Thought – Birth to Three	25
Environmental Influences on Development	25
Cognition	26
Social/Emotional Development.....	27
Developmental Profiles	28
Brain Development.....	28
Knowledge of the Content	29
Structure of Knowledge	29
Knowledge of Pedagogy	30
Scaffolding	30
Language	30
Partnering with Families.....	30
Developmentally Appropriate Practice	31
Creating a Learning Community.....	32
Guidance	32

Research Foundations	33
Knowledge of the Child.....	33
Early Childhood Program Efficacy.....	33
Attachment.....	34
Language.....	35
Language and Emergent Literacy.....	37
Brain Research.....	37
Social/Emotional Development.....	38
Play.....	38
Family Involvement.....	39
Knowledge of the Content.....	41
Integrated Curriculum.....	41
Play and Cognition.....	41
Emergent Literacy.....	42
Math and Science.....	43
Knowledge of Pedagogy.....	45
Emergent Literacy.....	45
Teaching Strategies.....	46
Language, Literacy, and Self-Regulation.....	46
Home Language Support.....	47
Play.....	48
Curriculum Delivery Models.....	49

Chapter 3: About Learning Zones.....	50
Why the Learning Zones?	51
Teach to the Whole Child.....	51
Developing Background Knowledge	52
Developing Social Skills and Self-Regulation.....	53
Adults Are Responsive and Sensitive	53
Emotional Literacy	53
Attention and Self-Regulation.....	54
The Role of Language.....	55
Developing Powerful Thinking	56
Making Concept Connections Through Powerful Topics	56
Inquiry As a Learning Strategy	57
The Role of Numeracy: “Mathematize” Interactions	58
Developing Use of Words and Symbols	60
Spoken Words Are Symbols	61
How Children Learn Words	61
Written Words Are Symbols	62
Creative Representations Are Symbols.....	63
Developing Healthy Minds and Bodies	64
Chapter 4: Child Development.....	67
Development Is a Continuous Series of Stages	68
“Through the Eyes of a Child”	69

The Infant 69

The Crawler 70

The Walker 71

The Toddler 72

The Young Preschooler..... 73

The Older Preschooler..... 74

Chapter 5: Intentionality: From Assessment to Implementation.....76

Assess: Intentional Teachers Have Knowledge of
 Development and Culture 78

 Know the Group of Children 78

 Know Each Child 78

 Systematic Methods of Knowing Each Child 79

 Screenings 81

 When Screening Results in Services 81

 Beware of Labels! 82

 Multidisciplinary Teamwork 83

Plan: Intentional Teachers Use Multiple Sources..... 84

 The K-W-L Strategy 84

 Concept Webbing 86

 Using the Learning Zones and Multiple Intelligences 87

Implement: Intentional Teachers Have Fun 87

 Scaffolding Learning 87

 Reflect and Assess During Implementation 88

Chapter 6: Developing an Early Childhood Learning Community.....	89
Early Childhood Learning Communities	90
Regarding the Role of the Family.....	90
Bronfenbrenner: The Social Influences.....	91
Microsystem	92
Mesosystem.....	92
Exosystem	92
Macrosystem.....	92
Cultural Influence and Infusion.....	93
Multilingual Classrooms.....	93
Developing Your Learning Community at Multiple Levels.....	96
Community Connections	97
Community Collaborations: Transitions to Kindergarten.....	97
Classroom Collaborations	98
Teacher-Parent Collaborations.....	98
Teacher-Child Collaborations	98
Child-to-Child Collaborations	99
Involving Families.....	100
Getting to Know Families.....	100
Making Families Feel Welcome.....	101
Communicating Regularly and Effectively	102
Other Communication Ideas	104
Overcoming Barriers to Developing Close Family Ties	104
Parent/Teacher Conferences	105
Early Care and Education in a Family Home.....	106

Chapter 7: Creating the Learning Climate	110
Know the Child	112
Know Yourself	115
Supporting Self-Regulation and Problem Solving	116
Praise vs. Encouragement	121
Establishing Routines	122
Appropriate Classroom Setup	123
The Well-Balanced Schedule	123
Infant/Toddler Schedules	124
Preschool Schedules	126
Effective Transitions	126
Transitions for Infants	127
Toddler Transitions	128
Preschool Transitions	128
 Chapter 8: Environment	 129
Creating an Environment That Supports Purposeful Play	131
Types of Play	132
Social Interaction Play	133
Creating Safe Spaces	134
Aesthetics and the Environment	135
Learning Centers	136
Creating Learning Centers and Environments for Infants and Toddlers	137
Parent Communication/Greeting Area	139
Sleeping Area	139
Eating Area	139

Diapering/Toileting Area.....	139
Gross Motor Area.....	139
Soft/Quiet Area.....	139
Designing Learning Centers and Environments for Pre-K Children.....	143
Sand and Water.....	144
Science/Discovery.....	144
Blocks.....	145
Library and Communication.....	145
Dramatic Play.....	145
Art and Creative.....	146
Music and Movement.....	146
Cooking.....	146
Computers.....	146
Woodworking.....	147
Creating Supercenters.....	147
Center Management.....	151
Keeping It Interesting.....	151
Establishing a Routine.....	151
Child Planning.....	151
Interaction and Observation.....	152
Linking to Learning.....	152
The Outdoor Classroom.....	152
Chapter 9: Curriculum Content.....	154
Early Literacy and Language Acquisition.....	157
Emergent Literacy and Language Acquisition in Pre-K.....	159

Creating Print-Rich Environments	160
Learning Letter Names.....	162
Promoting Phonological Awareness	163
Reading to Pre-K Children	163
Language and Literacy Development From School to Home	164
Writing Development	165
Appropriate Expectations	167
Creative Expression	167
The Visual Arts	167
Art Sharing	168
Further Benefits From the Integration of the Arts.....	168
Components of a Comprehensive Art Program.....	168
Creative Expression.....	168
Observation of and Response to the Arts	168
Exploration of Art in Cultural and Social Contexts	170
Aesthetics (Valuing Art and Beauty).....	170
Stages of Artistic Development.....	170
Uncontrolled Scribble Stage.....	170
Controlled Scribble Stage.....	170
Basic Forms Stage	171
Pre-Schematic Stage.....	171
Schematic Stage	171
Putting the Pieces Together.....	172

Movement.....	172
Birth to Age 3.....	172
Ages 3–5.....	173
Music	174
The Melody of Speech.....	174
The Music Experience: Birth to Age 3	175
The Music Experience: Ages 3–5.....	176
Math, Science, and Technology in the Early Childhood Classroom.....	177
Math and Science.....	177
Technology.....	178
Afterword.....	181
Appendices	183
References	193
Index.....	216
