Expanded Interest Area Ideas

Train Station – Young children are fascinated by trains. Enhance an area of your room by turning it into a train station using toy trains, boxes, dress-up clothes, suitcases, whistles, and more. Watch children's excitement grow as they explore the world of trains. (Engine, Engine #9, p. 37; Freight Trains, p. 49; Box Train, p. 52; Go So Fast, p. 55)

Mail Center – Who doesn't love receiving mail? Create a mail center in your room using boxes, large envelopes, postcards, etc., and children can create and deliver pieces of mail. (Mail From a Friend, p. 48; Sort Mail, p. 50; Mail Toss, p. 55; Mail Station, p. 57)
